

ATAL TINKERING LABS NEWSLETTER

MAY 2025

Let us have a look, at what's brewing in the Atal Tinkering Labs across the country and find out what's new!

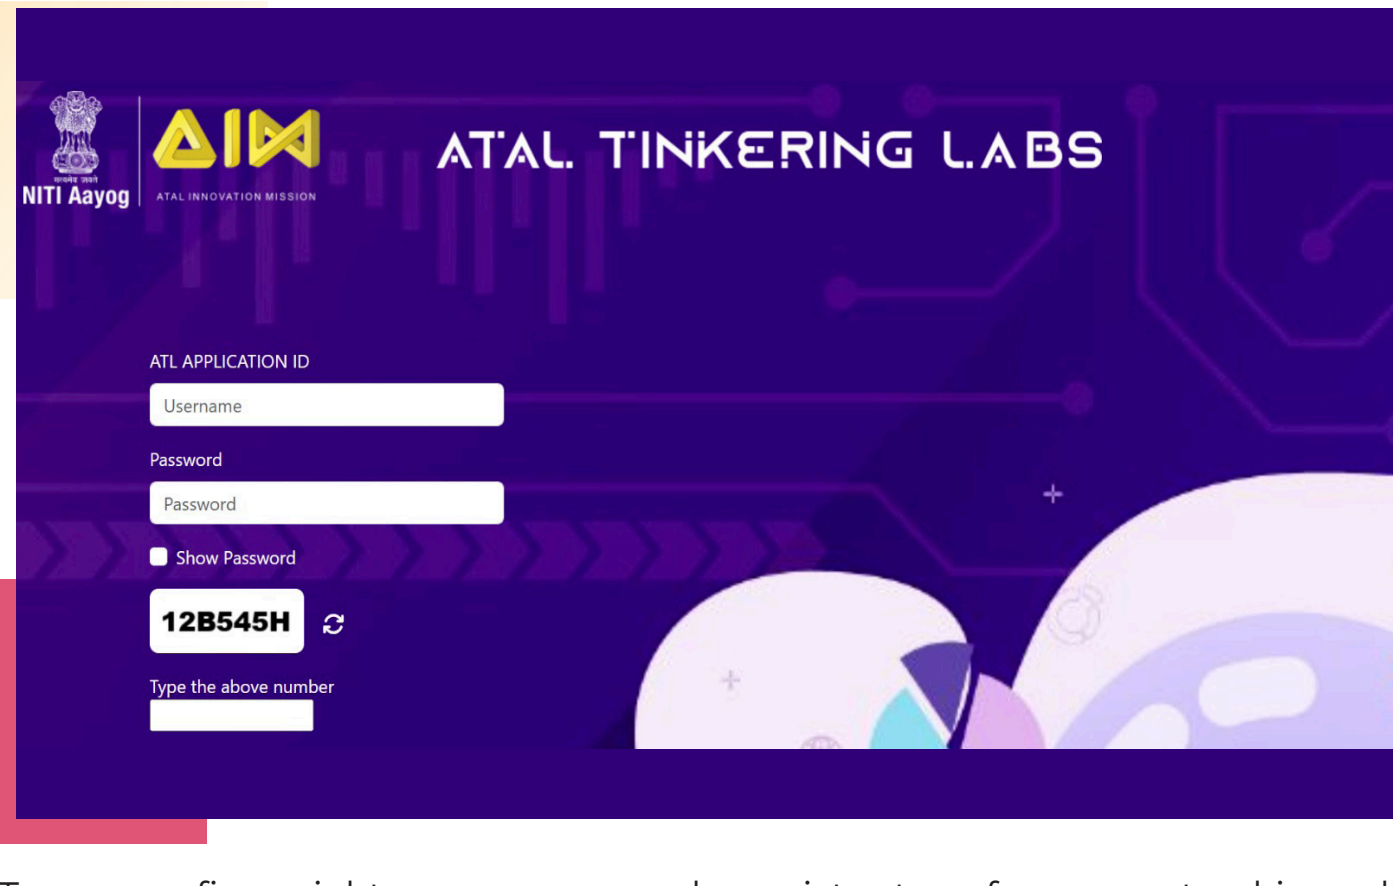

ATL SARTHI VIRTUAL CONCLAVE 2025

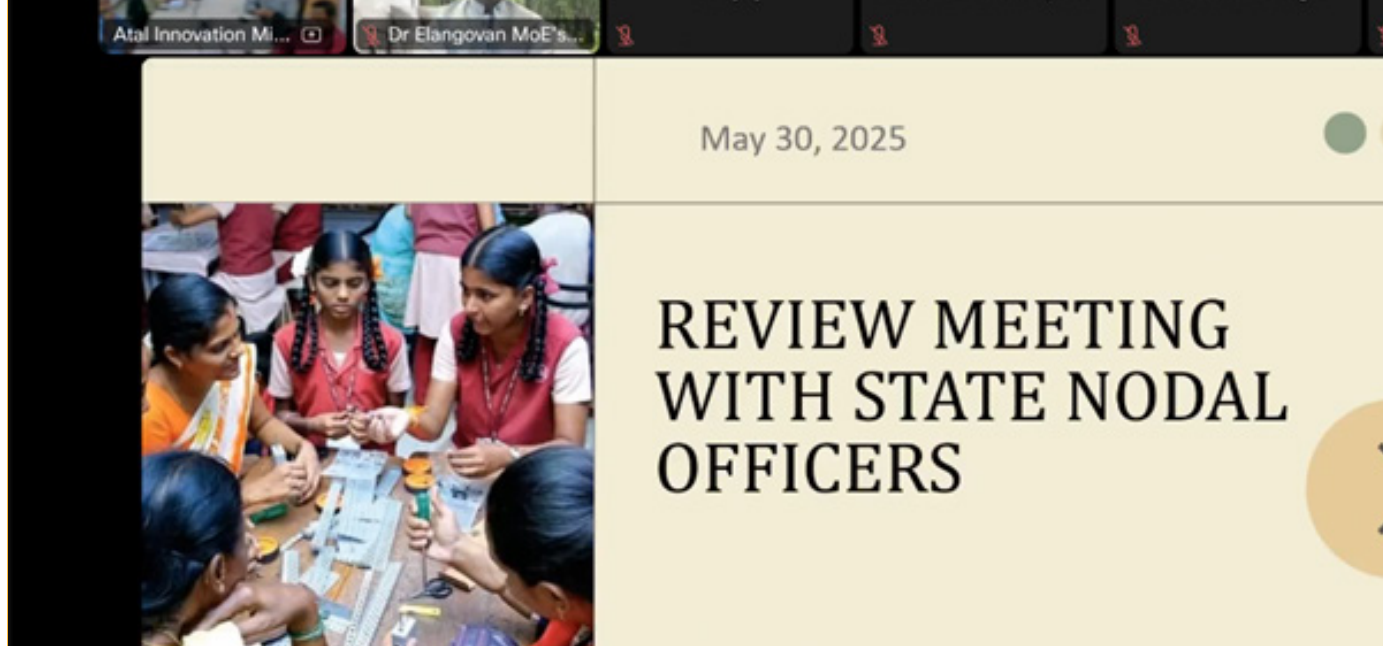

The first-ever ATL Sarthi Conclave, held virtually on 29 May 2025, brought together 20 nodal agencies from across India to share their regional efforts, best practices, training models, and impact under the ATL Sarthi initiative. The conclave enabled rich cross-learning and collaboration among ATL clusters and concluded with a clearly defined six-month action roadmap aligned with AIM's calendar. With 164 clusters and 2487 ATLs onboarded so far, the initiative aims to ensure long-term sustainability of ATLs through localized mentorship and guidance.

FILL UP ATL DASHBOARD AND SUBMIT YOUR UTILIZATION CERTIFICATE

To ensure financial transparency and consistent performance tracking, all ATL schools were instructed to submit pending Utilization Certificates for grant utilization and update their monthly dashboards with activity and performance data. These activities are mandatory for all schools.

VIRTUAL MEET OF STATE NODAL OFFICERS

Held on 30th May 2025, the virtual meet brought together State Nodal Officers from across India to discuss enhancement in participation, operational challenges, ensure timely submission of utilization certificates, and improve dashboard reporting by ATL schools. The session emphasized the critical role of state-level coordination in driving accountability, supporting innovation outcomes, and aligning efforts for improved lab performance nationwide. Nodal officers from 21 states and UTs participated in the virtual meet.

LAUNCH OF MENTOR INDIA ACADEMY WITH JECRC UNIVERSITY

Atal Innovation Mission launched the first-ever Mentor India Academy in collaboration with JECRC University, Jaipur. Through this initiative, university interns will mentor ATL students by facilitating hands-on projects, conducting skill-building sessions, and providing consistent guidance.

ATL STUDENT TEAMS CELEBRATE VICTORY AT ICIA 2025 IN VIETNAM

ATL student teams achieved remarkable success at the International Creativity and Innovation Award (ICIA) 2025 in Vietnam. Competing among 395+ global finalists from 26 countries, students from Dr. Kalmadi Shamarao High School, Pune secured Titanium and Silver awards, while Coimbatore High School won Gold and Silver in the innovation category.

ARDUINO MODULE LAUNCHED FOR ATLs

Developed by experts from the Arduino team, the newly launched Arduino module offers an engaging learning experience for students, educators, and enthusiasts. It equips learners with essential skills to design and build a wide range of Arduino projects and strengthen their programming fundamentals.

June 15: Fill up the dashboard

Complete ATL teacher Training

Incorporate ATL Period in Academic Calendar for 2024-25
